This would include, for example, dreadlocks, tails, woven braids, cutting, sculpting, clipping or etching numbers, letters, words, symbols or other designs into the hair. Male inmates shall have their hair cut short to medium uniform length at all times with no part of the ear or collar covered. Male inmates shall be permitted to shave their entire heads with clippers in a uniform manner unless the inmate is using his hairstyle or lack thereof to demonstrate gang affiliation or otherwise pose a threat to institutional security. Partial shaving of the head in a Mohawk or other distinctive style shall not be permitted. Sideburns shall not extend beyond the bottom of the earlobes and will have straight lines with no flare at the base. Female inmates shall be prohibited from having their hair braided or styled in any area other than the institutional beauty shop. All inmates shall elect either to be clean shaven or to grow and maintain a half-inch beard. Such a beard shall include all the hair that grows naturally on the face and front of the neck, excluding eyebrows and eyelashes. Inmates shall not display any other type, style, or arrangement of hair on the face nor front of the neck. Inmates shall not sculpt nor edge their beards. No numbers, symbols, letters, nor other designs shall appear in inmate beards. , Nith the eJ<ception of inmates housed at facilities designated by the Department to house those with a mental health classification of S 3 or above, .vho shall be clipper shaved three times per week. Those male inmates who desire to remain clean shaven shall be clipper shaved three times per week, and those inmates who desire to grow a half-inch beard shall have their beards trimmed three times per week with a clipper fitted with a half-inch guard. Female inmates may possess one (1) disposable state-issued razor.,\ mental health classification ofS 3 or above refers to inmates vffio need, at a minimum, ongoing outpatient mental health services with psychiatric consultation as clinically indicated. At those

facilities that do not house inmates with a mental health classification of S 3 or above, the warden shall require that inmates be clipper shaved three times per week if allowing the possession and use of razors creates a substantial risk to the security of the institution or the safety of inmates and staff. In determining whether to require inmates to be clipper shaved, the warden shall consider the number of inmates on inmate and inmate on staff assaults, the number of incidents of self injurious behavior, and the number of homemade weapons discovered at the facility involving the use of razors, and any other factors related to the security, order, or effective management of the institution.

Notwithstanding any other provision of Chapter 33, upon intake at any Department reception center each inmate having hair on the face or the front of the neck shall be clean shaved once for the purpose of discovering any identifying marks, scars, tattoos, or other features. Additionally an exemption from the requirement to remain clean shaven shall be granted on the basis of a medical diagnosis when it is determined by the staff physician that shaving would be detrimental to the inmate's health. Inmates granted a medical exemption from the shaving requirement may be required to keep their facial hair closely trimmed with scissors or clippers. For the purposes of this rule, "closely trimmed" means trimmed so that no part of the facial hair exceeds the length prescribed by the physician as necessary to prevent the appearance or reappearance of skin disorders. APPENDIX ONE

PROPERTY LIST

This list incorporates all property authorized to be possessed by inmates in all department institutions and facilities except community correctional centers. Except for items specified below as "exemptions," property received must be in compliance with this list. Inmates in possession of property previously approved by the Department of

Corrections which meets the description of property on the list shall be allowed to retain the property. Inmates transferring to department facilities from private correctional facilities shall be allowed to retain only those items that are in compliance with the list of authorized property. As items sold in canteens at private facilities may differ from those sold by an authorized source, items purchased in canteens at private facilities will not always be admissible in department facilities.

Definitions.

The "quantity" establishes a maximum possession limit. This does not mean that all state issue items will be issued to each inmate, or that the maximum number of items will be issued. All items from authorized source are subject to availability and may not be available for purchase. Items found in the possession of an inmate that are in excess of the established "quantity" shall be treated as contraband in accordance with Rule 33-602.203, F.A.C. Where there is a "value" indicated, the authorized item shall not exceed that value. The terms "authorized source" and "state issue" refer to the sources from which property can be obtained after January 1, 1996. All items with the "authorized source" designation shall be available in all institutional canteens or through orders from an authorized source. All authorized source items are transferable between department institutions. "State issue" means that the institution has the authority to issue this item to inmates based upon the character of the institution, the location of the institution, the housing or work assignment of the inmate, or other factors related to institution or inmate needs. Institutions housing death row inmates shall make adjustments to this property list when possession of listed items by death row inmates would create a threat to the security of the institution.

Exemptions.

Inmates already in possession of the following previously approved items shall be allowed to retain the items until they are no longer serviceable, but shall not be allowed to replace them with like items.

—Clothing items of a different color than specified on the property list.

-Locks other than V68 series

-Plastic bowls, tumblers, cups and lids

-Pantyhose
