AUDIT FINDINGS

NARRATIVE:

The audit team proceeded to the conference room in the Administration building. The team expressed the appreciation for the opportunity to be involved with Franklin Correctional Institution in the PREA process. The following persons were in attendance:

Chris Atkins, Warden
Tim Mills, Assistant Warden-Programs, PREA Manager
Dewayne Watson, Assistant Warden-Operations

After a brief discussion about the audit, the team proceeded to the compound for a facility tour. The tour of the facility was conducted on December 16, 2014 from 9:30 am to 12:00 noon. There are a total of 24 buildings on the main unit grounds. There are a total of 14 buildings at the work camp. The design capacity for the main unit is 1346. The design capacity for the work camp is 330. The population at the time of the audit for the main unit was 1420. The population at the work camp at the time of the audit was 423. The average daily population for the main unit for the previous 12 months was 1420. The age range of the inmates assigned to the main is from 20 to 83 years of age. The age range of inmates assigned to the work camp is from 20 to 69 years of age. There have been 1291 inmates assigned to Franklin Correctional Institution during the previous 12 months for 72 hours or more. There have been 514 inmates assigned to Franklin Work Camp during the previous 12 months for 72 hours or more. There are 204 inmates that were assigned to the main unit prior to August 20, 2012. There has been one inmate assigned to the work camp prior to August 20, 2012. The average length of stay in custody is 3.89 years for the main unit. The average length of stay in custody at the work camp is 1.77 years. The custody level of the inmate population is close to community. There is 354 staff assigned. There is 52 staff hired during the past 12 months. The areas toured were a total of two multi occupancy cell housing units, five open bay dormitory housing units and various departments within the secured perimeter. There were three open bay dormitories, multipurpose building, food service and security building toured at the work camp.

The various departments toured were Classification, Food Service, Medical, Mental Health, and Security. Segregation/Confinement units are a ninety two cells utilized for disciplinary and administrative segregation. The Inmates are placed into Administrative Confinement pending disciplinary charges, pending protection needs (short term, no long term at this facility) and pending transfer.

Upon arrival for the audit, a listing of all inmates by housing assignment and a staff listing by shift assignments of staff currently working with inmates was requested. A list of all inmates currently housed at the facility that have had a PREA case. From these listings, one inmate from each housing unit, segregated inmate and one who reported sexual abuse or harassment was randomly selected. The Language Line was utilized to interpret for the limited English proficiency inmate. There are no youthful inmates assigned to the facilities. There are 18 self-admitted gay/bisexual inmates and no transgender or intersex inmates assigned to Franklin main unit. There are three self-admitted gay/bisexual inmates assigned to the work camp. A total of 28 inmate interviews were conducted and 14 random staff interviews were conducted and included staff from all work shifts and all areas of the facilities. The Specialized Staff Interviews included twelve interviews for staff designated as: Intermediate/higher-level, Medical, Mental-Health, Contractor, Investigative, Screening for Risk of Victimization and Abusiveness, Supervisors in Segregation, Incident Review Team, Monitors Retaliation, First Responder Security, First Responder Non-Security, Intake Staff and a Volunteer.

The Secretary, PREA Compliance Coordinator, Human Resources staff and SART Nurse were formally interviewed at the Department's Central Office for the first audit. In addition to the randomly selected inmates we also interviewed approximately 10 staff and 24 inmates as we toured the two compounds during the three days of the audit. There are 72 volunteers currently approved for entry into the facility.

Medical Services are provided per contract with Corizon.

Franklin Correctional Institution is one of 49 correctional institutions in the state of Florida and is located in the city of Carrabelle, Florida. Construction was completed on March 25, 2005, and the site for the main unit covers 359 acres, 30.7 of those inside the secure fence of the main compound. The facility is utilized as an adult male, level-five institution that houses close, medium and minimum custody inmates.

Franklin Correctional Institution has a total inmate capacity of 1,517 inmates housed in six open-bay dormitories and two secure housing units. A and B dormitories are Secure Cell Housing Units. A-dorm quads one, two and three have 92 cells and are utilized as segregation housing. Quad four is utilized to house level four or five inmates. B Dorm (120 cells) is secure housing for level four and five housing. C Dormitory to H-Dormitory are open bay housing. C and D dormitory house 170 inmates each. E through H dormitory house 172 inmates each.

Housing in the compound is divided into four mini-compounds overseen by a central tower and two large support buildings that house the other operational and support offices and activities of the facility. The facility has a total of 39 buildings which are located both inside and outside of the secure perimeter.

Franklin Correctional Institution has a satellite facility, the Franklin Work Camp, which opened on August 19, 2013 and replaced the Bay City Work Camp, located in Apalachicola which was closed the same day. The Franklin Work Camp is an enclosed secure compound comprised of nine buildings and can house 432 inmates classified as medium, minimum and community-minimum. There are three open bay dormitories housing 144 inmates in each. The camp furnishes inmates to work outside of the main compound perimeter and provides work crews for government agencies in the local community.

Franklin Correctional Institution offers programs and services to include food services, medical care, dental care, recreation, multi-denominational religious programs and services, work programs, academic education, vocational training, visitation, social and mental health services, library, laundry, mail and telephone access.

The mission of the Florida Department of Corrections is to protect the public safety, to ensure the safety of Department personnel, and to provide proper care and supervision of all offenders under [its] jurisdiction while assisting, as appropriate, their re-entry into society.

The mission of the Franklin Correctional Institution and Franklin Work Camp is to protect the public, provide a safe and humane environment for staff and inmates, work in partnership with the community in providing programs and services for re-entry and supervise inmates at a level of security commensurate with the danger they present.

SUMMARY OF AUDIT FINDINGS:

Number of standards exceeded: 1 (41)

Number of standards met: 38

Number of standards not met: 2 (13-53)

Number of standards not applicable: 2 (12-14)

115.11- Zero tolerance of sexual abuse and sexual harassment; PREA Coordinator

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

The facility meets the standard based on the policy 602.053. This was confirmed in staff and inmate interviews. All were aware of the Zero tolerance policy. Inmates received training upon arrival to the facility. Staff has been trained and is trained annually during in service training. The department has an agency wide coordinator. 98 percent plus of her work time is spent on PREA. She coordinates with the other 49 institutional PREA managers. The PREA Coordinator was very knowledgeable about the PREA requirements and was considered very effective in meeting the requirements of PREA.

115.12 Contracting with other entities for the confinement of inmates

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

Franklin CI does not have oversight of any contract facilities.

115.13 Supervision and Monitoring

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- Does Not Meet Standard (requires corrective action)

The facility operates at Level I staffing levels. Procedure 602.030 states Level II posts are essential to the daily normal operation of a facility. Operating at Level II allows all activities and programs to be marginally staffed. Level I posts are critical for the daily operation of a shift. The post chart shows one sergeant and one officer per housing unit. One of the two is then assigned secondary duties to provide security coverage for the yard, recreation, dining hall or canteen lines. This leaves one officer on the unit. They are assigned to the officer station. Routines rounds are not being made due to level I staffing. The only area with recording capability was in the segregation unit. On the days of the audit there was a 22 percent vacancy rate for the facility. The vacancy rate 22 percent does not include Work Camp, extended sick leave, or those on workers compensation, military leave, or family medical leave.

Daily housing logs reflect shift supervisors making unannounced rounds on all shifts.

(1) SECURITY STAFFING LEVELS:

Level I posts are critical for the daily operation of a shift. Operating at Level I may include limiting certain activities such as recreation or work squads. (The Duty Warden must grant her/his approval to eliminate or delay any of these daily activities.) Level I posts will not be utilized for special assignments, extended special assignments, or loans to other departments on a routine basis.

- (a) Under no circumstances will a shift begin below Level I staffing or be allowed to go below this level except in emergencies.
- (b) Level II posts are essential to the daily normal operation of a facility. Operating at Level II allows all activities and programs to be marginally staffed.
- (c) Level III posts are necessary for long term "normal" operation. Level III posts will generally be utilized to fill any Level I or Level II posts as needed prior to using the Extended Workday Roster.

115.14 Youthful Inmates

- Exceeds Standard (substantially exceeds requirement of standard)
- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
