PART 1 – Laws Creating or Modifying the Duties or Authority of the Agency

This part fulfills the requirements of section 120.74(1)(a), Florida Statutes, which requires an agency to provide a listing of each law created or amended during the previous twelve months which "creates or modifies the duties or authority of the agency." The list below includes laws grouped together where those laws would be implemented by a common rulemaking initiative, such as the amendment of a single rule, the amendment of multiple rules within a single chapter of the Florida Administrative Code, or the amendment of rules that appear in different chapters of the Code from one another but are nonetheless related. Also, some laws listed below are listed more than once because they would be implemented by more than one Department of Corrections rule.*

   The Department expects to implement this law by amending Rule 33-210.201 of the Florida Administrative Code to clarify the rule and increase efficiency by amending forms referenced in the rule.
